

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

PROVEPHARMINC has initiated a recall for PHENYLEPHRINE HYDROCHLORIDE INJECTION, USP 100mg/10ml (10 mg/ml) Pharmacy Bulk Package. This recall has been initiated due to the detection of visible black particulate matter in a single-sealed vial, which may pose potential safety risks. This recall should be conducted at the hospital/institutional level.
