

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Zydus Pharmaceuticals (USA) Inc. ("Zydus"), is voluntarily recalling the drug product mentioned in the table below at the **Retail Level**. An update to the original recall dated February 13, 2025, has been made to correct the NDC numbers associated with lot number P300169. This recall has been initiated due to an Out of Specification result observed at the product expiry time point for related substance. Use of Nelarabine Injection 250 mg/50 mL (5 mg/mL) is unlikely to result in any potential health hazard.
