

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This is to inform you of a product recall involving twenty-two (22) lots of US Neupogen® (filgrastim) in the following vial presentations from Amgen, Inc. This recall has been initiated due to the potential for the product to be out of specification at the time of expiry of 36-months. There is no impact to the product efficacy or patient safety. Amgen, Inc. began shipping this product on 10/19/2022.
