

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Glenmark Pharmaceuticals, Inc. would like to inform you of a recall to the Retail level of the following batches of Rizatriptan Benzoate Orally Disintegrating Tablets 5mg and 10mg. This recall is being initiated as a precaution because the product may contain a nitrosamine, at levels above the FDA's allowable limit.
