

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

As a precautionary measure, Lupin Pharmaceuticals, Inc. is initiating a **recall** of lot **F201519, Expiry: November 2024** of **Cefixime for Oral Suspension USP 200 mg/5 mL (50 mL Pack size)** to the **retail** level. This lot is being recalled due to an out of specification (“OOS”) result observed in content uniformity test as part of continued process verification. The lot met approved finished product release specifications.

The slight reduction of Cefixime content may result in a slight decrease of therapeutic effect (sub- therapeutic response).

The recalled lot was distributed between January 2023 to September 2023 to wholesalers and distributors and supermarkets nationwide.
