

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Endo USA, Inc. is recalling Clonazepam Orally Disintegrating Tablets, USP (C-IV) 0.25mg to **PATIENT LEVEL**.

Investigation of a customer complaint identified there to be the potential that a limited number of distributed packs have the incorrect strength product cartons as a result of a packaging error at an Endo-contracted packager. Specifically, Clonazepam Orally Disintegrating tablets 0.25mg (lot 550147301) may have been packaged in a carton labelled as Clonazepam Orally Disintegrating tablets 0.125mg.

Endo shipped the impacted lot from April to June 2024.

The NDC number and lot listed below are affected:

Product Description	NDC Number	Lot#	Date of Expiry
Clonazepam Orally Disintegrating Tablets, USP (C-IV) 0.25mg	49884-307-02	550147301	Aug 2026

Alternatively, it may appear as

Product Description	NDC Number	Lot#	Date of Expiry
Clonazepam Orally Disintegrating Tablets, USP (C-IV) 0.125m2	49884-306-02	550147301	Aue 2026
