

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Endo USA, Inc. is recalling **Clonazepam Orally Disintegrating Tablets, USP (C-IV) 60 count carton presentation** to **PATIENT LEVEL**. Investigation of a customer complaint identified the potential that a limited number of distributed packs have the incorrect strength product cartons as a result of a packaging error at an Endo-contracted packager. Specifically, Clonazepam Orally Disintegrating tablets may have been packaged in the incorrect carton strength. The lots detailed above may appear as any of the NDC detailed above. Endo shipped the impacted lots from January to October 2024.

The scope of the recall only impacts the below lots:
