Subject: Agenda Item VIII. Discussion and Consideration of Adoption of Board Approved Regulations, Comments Pending Review by the Board

c. Proposed Regulation to Amend to Title, 16 Sections 1702, 1702.1, 1702.2, and 1702.5, Renewal Requirements

Background:

At the May 2018 Board meeting, the Board approved proposed text to amend Sections 1702, 1702.1, 1702.2, and 1702.5 of Title 16, CCR, related to renewal requirements. This proposal updates the renewal requirement language to include all licensing programs and amends the language in a manner that will ensure that the regulatory text applies to new licensing programs as they established without the need to further regulatory amendments.

As required by the Administrative Procedure Act, Board staff released the proposed text for the 45-day comment period on February 7, 2020, which ended on March 23, 2020. No comments were received during the comment period. The proposed text is attached following this memo.

At this Meeting

The Board will have the opportunity to discuss the regulation, the comments received and determine what course of action it wishes to pursue. Among its options:

1. Adopt the regulation as approved at the May 2018 Board Meeting and noticed for 45-day comment on February 7, 2020.
2. Amend the regulation to address any concerns and notice the modified text for a 15-day comment period.

Possible Adoption Language: Adopt the regulatory language as noticed on February 7, 2020, and delegate to the executive officer the authority to make technical or non-substantive changes as may be required by Control agencies to complete the rulemaking file.

Possible Amendment Language: Approve the modified language and initiate a 15-day public comment period. Additionally, should no negative comments be received, delegate to the executive officer the authority to make technical or non-substantive changes as may be required by the Control agencies to complete the rulemaking file.
