Hi Debbie,

I hope you're well! My name is Keely Morris and I am a Legislative Analyst for the government affairs firm Edelstein, Gilbert, Robson & Smith. We have a client who will be impacted by SB 1089, specifically the provision that requires them to notify the Board of Pharmacy of any store location closures. It is my understanding from the November 6th meeting agenda that the Board of Pharmacy will be discussing SB 1089 implementation and we were hoping that a point of contact would be identified for whom our client will need to address location closures to.

Please let me know if that will be clarified in the meeting tomorrow and if not, whether it could be added to the agenda. Thank you so much in advance for your assistance on this matter!

Best regards,

Keely Morris
